August/September, 2011. Rev. 2. 1/9/11.

Draft Copy of the Draw for the Championship and Junior Regatta.

Please find attached, as required by the Rules and recommendations of the South Coast Council the draft copy of the draw for a Championship Regatta – and the Junior Regatta, including time of heats and the names of crews participating in those heats.

Please note that we have received a much larger entry than anticipated for the Junior Regatta and as a result our timings for the Regatta's have had to be adjusted to accommodate them. See the Captains/Coaches/Club handbook for details of the time table.

We have also noted that a number of Clubs have chosen to "double-up" and even "treble-up" in the Junior events – and we remind you that, while we have done our very best to accommodate this, such entries are made entirely at your own risk and we cannot delay the racing to accommodate crews and scullers in this situation. Please study the program and plan accordingly.

We must stress that the Junior Regatta in particular is on a very tight schedule.

Attendance for all competing Clubs is mandatory – and Clubs may be fined for non-attendance by the South Coast Council.

This meeting will take place at 7.30am in Lake Room at the Eton College Rowing Course Clubhouse.

THE OFFICIAL PROGRAMME WILL BE AVAILABLE AT THE RECEPTION ON FRIDAY 9TH SEPTEMBER and on SATURDAY, 10TH SEPTEMBER.
