# **64th SOUTH COAST CHAMPIONSHIP CHAMPIONSHIPS REGATTA & 15th JUNIOR REGATTA.**

**Saturday, 21st September, 2021.**

**Royal Victoria Country Park, Netley, Southampton.**

**Hosted by the Hants & Dorset Amateur Rowing Association.**

2021 saw the South Coast Rowing Championships held at the Netley Country Park for the first time. A new course was researched, initially in 2019 when the request was made to hold the championships at this Hants and Dorset venue on the Solent. Similar courses had been used previously nearer to Southampton but this new course would allow a straight and fair course with sufficient water to cover the main championships and the junior championship regattas.

The committee researched the site again in 2020 just as the Covid restrictions were becoming more difficult however, it was felt that we should be able to proceed in September as no-one seemed to believe that the virus would still be with us then.

All the planning went ahead and facilities were booked together with catering arrangements and other facilities on the site. It wasn't long before the first arrangements were disbanded as the Police facility, where the reception was planned to be held, was withdrawn and the other arrangements started to become unravelled and it became clear that there would be no competitive rowing held during the season and therefore no Championships could be held.

In September 2020, just 3 days after the Championships would have taken place the committee met to discuss arrangements for 2021. Most of the arrangements would be similar to the original planning however the Police facility would not be available so a new venue was needed for the Friday reception and the Saturday prize presentations. The Royal Victoria hospital venue was available for the only date when the tides would be acceptable for rowing and arrangements were put in place to hold the regatta on 18<sup>th</sup> September and this was approved by the South Coast Council.

Once rowing was allowed again in 2021, and regattas were planned to be held, the decision to go ahead was made and although there would need to be some concessions to ensure the qualified crews would all have participated in enough events to meet the rules for entry.

Friday 17<sup>th</sup> saw the Council meet to review the arrangements for Saturday. With everything checked and fingers firmly crossed the Friday night reception and the race draws took place and everyone was looking forward to racing.

Saturday saw the sun shining. The morning meetings held and at 09:30 as per the programme the first race was underway. From here on the races all ran to plan and time and the junior regatta started in the afternoon and finished ahead of schedule. There was a tremendous atmosphere around the site as the regatta took place with all members of our rowing community and members of the public all enjoying themselves. Many rowers and supporters also found their way to Netley Sailing Club who had helped us in many ways to put on this event which made life much easier. Prize giving was held as planned on Saturday evening with Caragh McMurty, a current British Rowing team member, awarding the prizes. There were many people there to enjoy the evening and reminisce about the day and there were many complements made as there had been during the day.

There is no doubt that the committee had achieved everything they set out to do. This was possible due to the experience and hard work of everyone and the leadership provided by the chairman John Purkess who chaired all of the meetings for over 2 years and ensured that everyone was organised and prepared. It will be the turn of Hants and Dorset again in 2024, where will we be next!

Pete Staddon. Chairman H&D ARA.

## **Hants & Dorset Amateur Rowing Association.**

**[Web Site – <http://www.hdara.co.uk>]**

**The Hants & Dorset ARA was founded in 1903 and originally consisted of seven Clubs – Bournemouth, Poole, Weymouth, Southsea, Southampton, Shanklin and Bournemouth YMCA. The Association was formed with an agreed split from CARA, who had since 1893 administered all rowing along the South Coast from Herne Bay to Weymouth – but increased travelling expenses made the area too large for Clubs to support all Regattas and there was a consequent drop in entries.**

**Report on the 2021 Season.**

The 2021 season was scheduled to go ahead with twelve regattas but by March after the third lockdown and the ongoing restrictions, it was becoming apparent that some regattas may not be able to go ahead. The government produced a roadmap out of lockdown which would allow regattas to potentially go ahead from the last week in June which meant that the May and June regattas would be affected.

The H&D Exec committee met on a regular basis to work with the regatta organising committees to try and reschedule as many of the regattas as possible and also support those in the latter part of the season dealing with the local authorities and their newly introduced Covid risk assessments. It is safe to say that the increased paperwork and additional protocols for making an event as Covid secure as possible was a huge challenge and vastly increased workload for organising committees.

Two regattas had to omit sculls and small boats due to Covid restrictions on space (Swanage) and restricted time due to rescheduling (Coalporters) but in total eight regattas were held with championships being awarded in all classes apart from Senior Ladies Sculls (only one race was held).

Worries of lack of entries and the fitness of competitors due to lockdown and a lost 2020 season were soon abated with high levels of entries in most categories, especially the novice status'. The ladies senior fours and ladies master's fours had the most entries in recent years but the Junior Senior and Ladies Senior Scull section continues to have low entries.

The Men' Senior Fours was closely fought with Itchen Imperial emerging as champions with four points from Ryde's three with BTC taking the 8<sup>th</sup> point available. The Men Junior Senior Fours Championship was won fairly convincingly with Christchurch taking three wins with Southsea, BTB, and Shanklin sharing the other three points. Itchen Imperial won the Men's Junior Fours Championship convincingly winning six of the eight events with BTC and Newport taking one a piece and the Men's Novice Fours Championship was shared between three Clubs – Itchen Imperial, BTC and Coalporters with two wins each with Lymington taking the other point available with one point withheld due to a non-registered member.

The Ladies Senior Fours Championship was very close with Coalporters and BTC each winning four events forcing a row-off which BTC won. BTC also won the Ladies Junior Fours Championship – with a convincing performance taking six wins with Itchen Imperial and Coalporters each winning once. The Ladies Novice Fours Championship was closer with Coalporters four wins edging out BTC with three and Ryde taking a single point.

In the Masters Fours Championship Lymington emerged as the Hants & Dorset Champions taking five points with Christchurch winning two events and BTC one and the Ladies Masters Championship was won convincingly by Christchurch with six wins BTC winning the other available point.

The Men's Senior Pairs Championship was another closely fought contest with Itchen Imperial and Ryde each winning three points forcing a row-off which was won by Itchen. Newport convincingly won the Men's Junior Pairs Championship winning six of the available points to claim their first ever Hants & Dorset Pairs Championship, BTC winning the other point available. Their four wins won Shanklin the Ladies Senior Pairs Championship with Southampton, Coalporters and Ryde sharing the other points equally and the Ladies Junior Pairs Championship was won by Itchen Imperial with five wins from BTC with two.

In the Single Sculling Championships the Men's Senior Sculls ended all square between Gibbs of Poole and Ewing of Ryde with two wins each - the Poole Sculler winning the Row-off with Riceman of Itchen and Swiss of Newport taking the remaining two point available. The Men's Junior Sculling Championship was closely fought with Smith from Ryde just edging out Frost of BTC with three points to two and Cracknell from Itchen taking the other point available. The Men's Novice Sculling Championships was secured by Southsea with three wins from Itchen Imperials two and one for BTC. There was only one point awarded in the Ladies Senior Sculls Championship – Faithfull of Shanklin - so no Championship was awarded however Shanklin also dominated the other Ladies Sculling Championships with Batchelor taking the Junior competition with three wins with one win for Potter of Lymington and Faithfull of Ryde and Shanklin's four wins secured the Ladies Novice Sculling Championship with one win each for Itchen Imperial and Ryde.

With a reduced racing season it was inevitable that some championships would have to be decided at a row off and we saw the WS4+, MS21 and MS1x championships decided on the last weekend of August.

I feel it is a testament to all of the clubs, coaches and athletes that all, bar five, of the junior, open and championship events at the south coast Championships were won by H&D crews with all other placed crews providing both close and high quality racing.

We will await to see how, if any, Covid protocols and restrictions develop and possibly impact on the 2022 season, but for now, we continue to plan a full racing season and hope to see the continuation of development of new members in all status' and high quality racing.

Penny Budd - H&D Association Secretary October 2021.
