**65th SOUTH COAST CHAMPIONSHIP CHAMPIONSHIPS
REGATTA & 16th JUNIOR REGATTA.**

Saturday, 10th September 2022.

Paignton, Devon.

Hosted by the West of England Amateur Rowing Association.

2022 South Coast regatta was held at Paignton for the first time although it was previously due to be held in Torbay in 2002 but the weather was against them, and the Championship events only were held in Dartmouth on the following Sunday. Paignton took the precaution of requesting the races be held in coastal boats to ensure racing would be able to go ahead.

There was no problem this year as the weather was excellent, light winds and a good course for both regattas. Council met on Friday and confirmed everything was ready to go and that there would be no need for a further meeting on Saturday morning.

Clubs began to arrive on Friday and each club had been allocated a space on the green which gave everyone confidence that the organisation was good, and this continued into the evening reception and draw. Once the speeches were made the draws took place on the newly designed scoreboard which became the results board on Saturday.

With everything in place, the sun was shining, the race officials met, received their instructions and were afloat ready for the first race at 09:30 as programmed.

The junior regatta events commenced with some exciting races to set the scene for the championship events. Spectators had a great view of the racing with some exciting finishes on the line between the judges and the pier marker. The last race of the day started on time as programmed to complete a great day's racing.

Prize giving was as well organised as everything else had been, the marquee was packed with winners and their supporters who went on to enjoy all the evening including a magnificent sunset across the bay.

Paignton, under the leadership of Rob Harris with his team had put on a magnificent event that should encourage clubs to prepare and participate at Folkstone 2023.

Pete Staddon. Chairman H&D ARA.

65th South Coast Championships and 16th U16 Championships.

Held in Paignton, Devon. Organised by Paignton Rowing Club. Hosted by the West of England ARA.

Hants & Dorset Amateur Rowing Association.

[Web Site – <http://www.hdara.co.uk>]

The Hants & Dorset ARA was founded in 1903 and originally consisted of seven Clubs – Bournemouth, Poole, Weymouth, Southsea, Southampton, Shanklin and Bournemouth YMCA. The Association was formed with an agreed split from CARA, who had since 1893 administered all rowing along the South Coast from Herne Bay to Weymouth – but increased travelling expenses meant that they were too large for Clubs to support all Regattas and there was a consequent drop in entries.

Hants & Dorset Amateur Rowing Association.
The Hants & Dorset Amateur Rowing Associations Secretaries Report on the 2022 Season.

After several seasons – bar covid – in which we have enjoyed for the main part, good weather and conditions for racing, 2022 season was blighted by three months of strong, gusting southerly winds. Affected regatta's included Ryde – who endeavoured to get the regatta underway but after two races, succumbed to the strong onshore winds – Southsea who had to cancel and were unable to reschedule due to council restrictions and Poole who had to cancel again due to high winds but were able to reschedule later on the calendar but saw a significant drop in entries from the original date. Even courses which could run in strong winds saw challenging conditions such as Coalporters which had gusts of 35+mph in the latter stages of the regatta.

The Mens senior fours championship was retained by the Itchen Imperial crew with 6 wins and who also went onto retain their South Coast Championship in emphatic style. A fruitful season which also saw two of the crew members once again have a successful Henley Campaign in the pair. Runners up in the senior fours was BTC whose senior crew also dominated the Mens master's 40 championship and then went onto win the Masters south coast championship – fittingly for the Denis Woodford Cup.

The Ladies senior fours saw the BTC junior crew members step up into senior status and claim the H&D title with 6 wins to Christchurch's 2 wins. Christchurch would put up a tremendous fight at Paignton only to lose to Greenbank Falmouth in one of the closest championship races of the day.

The Mens Junior Senior event continues to see low numbers of entries with the last three regattas of the season having no races for this status. BTC won the championship with 4 wins and also won the South Coast Championship.

In the Junior fours, Itchen Imperial dominated from the start of the season winning the championship comfortably with 7 wins but late form from Coalporters with three wins saw them go on to clinch the south coast championship. The ladies' junior fours went once again to a very strong BTC crew who won 9 of the 10 races.

Novice entries were lower than in previous years, especially in the first part of the season which could have been impacted by exam for school/university students. Coalporters took the overall Mens Novice Championship with three wins, and they also shared the Ladies Novice Championship with BTC with two wins a piece.

Ladies' master's also suffered with lack of entries at some regattas this year but the championship at the end of the season was tied between Christchurch and BTC with three wins a piece. With Christchurch unable to compete in a row-off and not competing at the south coast championship, BTC took the H&D title for 2022.

Itchen Imperial retained the Mens Senior Pairs championship with 8 wins and Shanklin took the ladies title with 6 wins. In the men's junior pairs Southsea won the championship with 4 wins to closest rival Lymington's 2 wins and in the ladies championship Shanklin again dominated with 7 wins.

Shanklin's strength in small boats showed again in the ladies sculls championship with Daisy Faithful winning the ladies senior championship over her clubmate Batchelor and the island club also shared the Ladies Novice sculls championship with Lymington. Merritt-Smith from Southsea took the Ladies Junior sculls win which was closely contested with Shanklin. It was great to see ladies sculls once again competitive and have a ladies senior sculls championship which has not been awarded since 2019.

In the men's sculls event, Gibbs from Poole retained his Senior Sculls title only dropping one point throughout the season. Itchen Imperial won the novice sculls championship with a credible 3 wins for the club.

The only row-off for the H&D Championships was for the Mens Junior Sculls championship with Taylor from Itchen and Sturley from BTC sharing 4 wins each. In ideal conditions on the 17th September, both scullers rowed off with Sturley from BTC taking the win and the championship.

Entries across all regattas were down from previous years. A combination of exam pressures for students, family commitments and holidays all seem to have played a part. A meeting attended by most H&D clubs was set up in September after the South Coast Champs to discuss how the association can address this. Some clubs continue to be stretched coaching whilst others have good numbers rowing in the week, yet this does not transfer through to racing. Discussions on lifestyles, work commitments, other sporting or family commitments together with the length of season were identified and the committee is now in the process of trying to come up with proposals which will hopefully address some of these issues.

Whilst we are facing some challenges, some of the positives from the season must be highlighted.

Once again, the H&D Association was the most successful association at the south coast championships in the championship events, the open events and the junior events. Small boats entries have picked up from previous seasons and are being contested at high levels by younger athletes. Many of our rowers have competed successfully both within the H&D and also outside of the association at elite, junior and master level. We have also had athletes competing for their clubs and selected for GB at offshore events. The Itchen Junior regatta highlighted some excellent talent which is rowing and racing currently under the age of 18.

Obituaries.

Dennis George (Denny) Woodford (29/7/1940 - 22/8/2022).

Dennis, known to everyone as Denny, joined BTC (Southampton) Rowing Club as a young coxswain in 1952. He later became a rower and won his first Novice race in 1956. He continued his rowing career becoming a Senior oarsman and winning the Portsmouth Grand Challenge cup at Southsea Regatta in 1964. Denny continued his rowing into the early 80's competing in single sculls.

He became a committee member of the club in the 70's then its chairman for many years, finally becoming its Vice President, a position he held until his death.

Denny held the positions of Chairman and President of the Hants & Dorset ARA and was also a Race Umpire for 25 years as part of that Association. He also became a delegate on the South Coast Rowing Council (the council which administers the South Coast Championships Regatta held annually by CARA, H&D ARA and WEARA) and he was awarded Life Membership of the SCRC in 2021.

Edward (Ted) Shergold (26/5/1926 – 7/1/2023)

Ted Shergold joined BTC RC after WW2 following watching his brother Arthur rowing in the late 30's and 40's. He joined what was then known as the Docks & Marine rowing club, which became BTC RC in 1953. He had a brief spell rowing at the newly founded Southampton Amateur Rowing Club when along with seven other SARC members; he won the ARA's British Championships Desborough Eights race in 1953, and when he returned to rowing for BTC, he just missed out on a Senior Championship in 1959.

Following his competitive era of rowing, Ted still rowed for fun, putting crews together for the occasional regatta into the late 60's and during this time he became an excellent coach to many successful BTC crews. After Ted finally "hung up his oars" he became involved in the running and organisation of BTC, becoming Club Captain in 1964-5, he then became Club Chairman in the late 60's (a role he held for many years, making him the longest serving member in this role at BTC) as Chairman he was instrumental in the club's move from Southampton Docks to its current location in Crosshouse Road.

Ted was very supportive of the H&D ARA; like his brother, he was a Race Official for many years, and in 1986-7 he was elected as the Association's President, following which he became a Life Vice President. He was also an H&D ARA delegate on the South Coast Council and was involved in the organisation of many South Coast Championship regattas, and in 2006 he was awarded Life Membership of the South Coast Council. Ted's dedication to the rowing community was recognised in 2010 when he was awarded the Southern Daily Echo Trophy for services to the H & D ARA. This was followed by a Lifetime Achievement Award, granted by the South Coast Council in 2019.
