WELCOME

TO THE 58TH SOUTH COAST ROWING CHAMPIONSHIPS

On behalf of the organising committee, and the Hants & Dorset ARA, I have great pleasure in welcoming you all to Swanage for the 58th South Coast Rowing Championships, and the 9th South Coast Junior Regatta.

This will be the third regatta to have been organised by a committee, made up of delegates from clubs affiliated to the H & D ARA, the previous two, being our visits to Dorney Lake in 2007 and 2011, and I give my personal thanks to all of those people who have worked tirelessly to make this weekend the success it deserves to be.

Swanage is the epitome of an English seaside town, with facilities to match, and with the support of the Town Council, Swanage Conservative club, Swanage Carnival and the Purbeck Marathon committees, without whose help these Championships could not take place, we sincerely hope that you enjoy your time spent in this lovely Dorset town.

The Sandpit Field, where most of the regatta facilities are located, offers a fantastic elevated viewing area, covering the whole of the racing course and Swanage Bay, and is where the prize giving for both day's events will take place in the Marquee.

Finally, and hopefully with the 'Weather Gods' on our side, I would like to wish all the athletes and race officials, a safe and enjoyable Championships, with some close, and competitive racing on both days.

John Purkess
President of the Hants & Dorset ARA and Chairman of Organising Committee.

WELCOME TO SWANAGE!

Swanage has so much to offer everyone: a wealth of attractions to suit all ages, sporting and leisure activities, historic buildings and for the traditional seaside holiday there can be no better choice than Swanage. It is situated at the eastern end of the Jurassic Coast, a World Heritage Site.

The attractive town hosts plenty of interesting shops. You will be spoilt for choice with numerous places to eat and drink. Choose from cosy tea rooms, serving Dorset cream teas, hearty pub grub, continental cuisine to eat in or take away, seafood specialities and traditional fish and chips.

HISTORY OF THE SOUTH COAST ROWING CHAMPIONSHIPS REGATTA.

The South Coast Rowing Championships was the inspiration of Archie Fraser, of Westover & Bourmemouth Rowing Club who had the idea of an event involving the three South Coast Rowing Associations - the Hants & Dorset ARA, (H&D ARA) the Coast ARA (CARA) and the West of England ARA (WEARA) - who would provide a champion in each class to compete in a "champion of champions" race at the end of the rowing season.

The first Championship Regatta was hosted by the Hants & Dorset ARA at Poole in 1957 where Christchurch were the winners of the first Senior event, for the Bideford Bowl, donated by the West of England ARA and BTC won both the Junior Senior and Junior Event. The following day officials from the three Associations met in Poole Yacht Club where it was decided that the Regatta should continue and be hosted by each Association in rotation. It was agreed that the host Association would provide six matched boats and include any supporting events of their own choice. The Hants & Dorset and Christchurch Rowing Clubs Toby Trowbridge was elected the first Chairman of what became the South Coast Council.

In the early years there was a good deal of controversy between the Associations because of the differences in rules and because WEARA rowed in 36' river boats (now 42') but H&DARA and CARA Clubs used 30' staggered seat Coastal boats. However annual meetings of the representative South Coast Committee (now the South Coast Council) have established a set of acceptable rules and regatta format. The original three-year cycle was changed to a four-year cycle with the regatta being held in WEARA every other year to counteract the disadvantage that WEARA crews suffered having to row in Coastal Boats - although this reverted to a three year cycle again in 2011 following a proposal from the West of England ARA. In 1967 it was stated that the cost of staging the South Coast Championship Regatta was £270 - today it is around £25,000!

Although the supporting events had often included ladies races there was no Championship event until 1976 - and in 1992 a Junior Ladies Championship event was added - with a Veterans Championship added in 2004 bringing the total of Championship events to six.

The 50th Regatta was held at Dartmouth and hosted by the West of England Amateur Rowing Association and included a celebration

Dinner on the Thursday evening before the Regatta, a row-past on Regatta day of some of those who had competed in the first Regatta in 1957 - and the inaugural Junior Regatta. To celebrate fifty years of the South Coast Championship Regatta a fascinating book was produced with full results, including winning crews names and anecdotes from all the Championship regattas held between 1957 and 2005 and this is recommended reading for those who are interested in the event and the history of rowing. The books authors were the Coast ARA's Phil Challen and the Hants & Dorset ARA's Denny Woodford and the book is now available as a free download from the Hants & Dorset ARA's SCC web site - see the SCC section at www.hdara.co.uk.

Since 2006 there has always been a Junior Regatta staged - either on the same day or on the Sunday after the main regatta - and once on the Friday before - and this has proved to be increasing popular - although the numbers of events staged are restricted when the Championships are staged at a Coastal venue.

In 2007 it was the Hants & Dorset ARA's turn to host the Championships once again and they took the brave and at the time rather controversial decision to stage the event at the new, purpose built, international standard venue of Dorney Lake, Eton, where the 2012 Olympic Regatta was staged. Their decision was justified when the event proved to be one of the most successful and arguably the fairest ever staged prompting the Association to return to Dorney Lake for the 2011 Championship Regatta.

Many feel that this or a similar venue represent the future for the Championships as it pretty much guarantees that the event is not influenced by the weather - which has so often affected the regatta. The deteriorating weather conditions during the day had a particular impact on the 2013 Regatta, hosted by CARA, at Deal - where for the first time in its fifty-eight year history - two Championship events - the Men's Junior Senior Fours and the Ladies Junior Fours were not completed.

It is to be hoped that a similar fate does not befall the 2014 regatta, at Swanage, Dorset and hosted by the Hants & Dorset ARA as they return to a Coastal venue for the first time since 2003.

WELCOME TO SWANAGE!

On behalf of the town, it is my great pleasure to welcome officials, participants and spectators to the South Coast Rowing Championships 2014. We are absolutely thrilled to be the hosts of such a prestigious event, where we will see the most successful crews from three associations across the South Coast come together to compete to see who will be crowned ultimate champion.

We are very proud of our beautiful town and beach, which has received the Blue Flag and Seaside Award for 13 consecutive years. The town's tourism and beach teams work extremely hard to deliver a great service and I know they will all do their best to have you leave

Swanage with unforgettable memories of this year's Championships.

Wishing you Good Luck one and all!

Best wishes,

Ali Patrick

Swanage Town Mayor, Councillor.
